Sheryl Leverett

PARENT COORDINATOR

Sheryl Leverett has gone from a novice in the digital/media world to taking the helm of her school's website, Instagram page, hosting community wide Zoom conferences, and helping families make the proper connections to ensure that students had the technology needed during the "at home" and hybrid learning phases. As Parent Coordinator, Sheryl's skill building and use of such tools as the translation features in PowerPoint, Mentimeter and Jamboard have enhanced the virtual workshops she has facilitated for families during the "new normal."
