STEP 3: Enter in your Name and Email. Click "Validate Email".

Create Account

Please provide the information below to create your NYC Schools Account. While entering this information, please do not refresh the page or use your browser's back button.

1. Enter your information to begin receiving notifications. You can create a basic account without an account creation code, but to link your student to the account, you'll need the code.

2. You can get an account creation code at your school so you can add students.

3. Once you add students, you can see grades, test scores, attendance, transportation, reading level and much more!

STEP 7: Enter in Student ID # and Account Creation Code

Add Students

Student ID #

[   ]
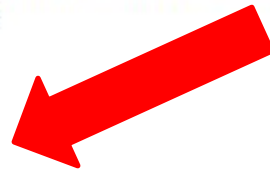

Account Creation Code

[   ]

[CREATE ACCOUNT]

[CONTINUE WITHOUT CODE]

The Student ID # is printed on your child's report card. It has nine digits.

If you were invited by a parent or guardian, the Account Creation Code was in the invitation email. Otherwise, your school sent a letter home with your child that included the Account Creation Code. To receive the letter again, you can ask your school to send it home with your child.

Student ID # = OSIS #
Found on report card
Any school staff will know

Account Creation Code
School staff will create
and send to you

STEP 7: If you don't have Student ID # and Account Creation Code

Select "Continue without code" to get general updates from the DOE. You can link to your student's account later on.

STEP 8: Sign in to begin using your account.

Success

You have successfully created an account for **Corrine Christison (cchristison@schools.nyc.gov)**. Sign in to begin using your account or to add students on the Manage My Account screen.
